

Lecture 33 — Preparing for the Final

Jeff Zarnett
jzarnett@uwaterloo.ca

Department of Electrical and Computer Engineering
University of Waterloo

March 10, 2024

The exam is based on material we have covered in the lectures & labs.

The exam is cumulative: covers from the first lecture to the last.

Lab material you are expected to know covers Labs 1 through Lab 5.

How to prepare for the final exam:

- 1 Look at the textbook and lecture slides.
- 2 Understand your lab solutions.
- 3 Try old exams.
- 4 Ask questions in Piazza if you need.

The exam will take place according to the registrar's office schedule.

Yes, on paper and with pencil/pen.

The exam will be a mix of written and programming questions.

The written questions will resemble previous offerings' final exam questions.

The programming questions will resemble the labs and assignments.

There will be no questions allowed during the exam.

If you need to make an assumption, please do so.

It's a closed book exam, with a reference sheet.

“The Force is with you, young Skywalker...
But you are not a Jedi yet.”
